Fall Youth Art Classes (Ages 6-12)

Discover Drawing & Painting

Annee McHarry

Class ID #2319

Start your creative engines and get ready to learn all about drawing and painting! You are going to take off on an art adventure as you learn all about artists, including Michelangelo, Monet, and Maude Kerns. In this eight-week class, Annee will help you discover new ways to draw and perfect your painting techniques. You will learn all about color, line, and shape as you experiment with all kinds of art materials from pencils and pastels to watercolors and acrylic paints. Whether you are a new or returning artist, there is always something to learn! On the last day of class, family and friends are invited to see your magnificent masterpieces in your class "Art Exhibit!"

Clay & Wire Creations

Julia Sherman

Class ID #2320

In this eight-week, multi-media class, projects will be created from two very different materials: earthy clay and colorful wire. You'll explore the 3D world and have the chance to create ceramic cups and bowls for half of the term. The other half, you will be wrapping and twisting wire to make flashy animals that stand on their own. On the last day, show off your sculptures to family and friends during your class "3D Art Exhibit!"

Wednesdays, October 12-November 30

Illustrating Comics

Class ID #2321

Do you have a great idea for a comic book or strip? It could be an adventuring hero on a quest, a mysterious tale of ghosts and ghouls, or a comedy about the antics of a goofy character. In this eight-week class, you will bring your story to life as you create your own comic! From storyboarding your ideas, drawing your characters, and deciding how to lay out your comic, you'll be guided through the process of drawing your own comic. On the last day of class, share your comic creations with family and friends in your "Cartooning Showcase."

Thursdays, October 13-December 8*

3:30pm-5:00pm

Members \$64 Non-Members \$74

*There will be no class on Thursday, November 24.

Visual Arts Mentorships (Ages 6-14) Class ID #2322

With the help of a mentor, your idea for an art project can become a reality! Whether you're interested in drawing, painting, or mixed media, this unique class offers the time and space to work side by side with an artist-guide. Together, you'll create a plan for your project on the first day and spend the rest of the time working on it. At the end of the six weeks, invite your family to come check out all of your work. And parents, be sure to register early to ensure the best mentor match for your young artist.

Mondays, October 17-November 28*

Fall Young Adult Art Classes (Ages 10-16)

The Art of Cartooning

Class ID #2323

From choosing a storyline to developing your characters, this eight-week class introduces you to the fundamentals of cartooning. With your teacher, you will discuss your story ideas, choose the right layout for your cartoon, and learn how to ink your final comic creations. You will discover the importance of line, space, color, and depth in your cartooning and experiment to develop your own comic style. On the last day of class, share your comic creations and class comic book with family and friends in your class "Cartooning Showcase."

Painting for Beginners

Madison Skriver

Class ID #2324

It's amazing what you can do with layers of acrylic or washes of watercolor! Whether you've practiced painting before or it's your first time, this eight-week class will teach you all about using different paint media. With your instructor, Madison, you will complete exercises and projects to help you learn to use these versatile materials. Examine color theory, as well as lighting and shading, and paint from still-lives and more in order to better understand the painter's way of seeing and working. On the last day, you'll exhibit your paintings for family and friends during the class "Art Show!"
