Parent Technology Training Session, November 5

Live webinar: Learn about navigating Seesaw and Clever

Parents, do you need tech help? Join 4J educators for a parent training session to get a better understanding of the technology your elementary school student is using for distance learning.

Thursday, Nov. 5, 5:30–6:30 p.m.

Link to join webinar: <https://bit.ly/2JeNjSc>

Passcode: 546577

During the live webinar, you will see a demonstration of Seesaw and Clever, learn how to find important information and support your student's learning, and have an opportunity to ask questions. Spanish and ASL interpretation will be provided.

Technology training webinars are also scheduled for parents of middle and high school students.

Other Opportunities in our Community

Sign up for String Academy – now for ANY student in 3rd, 4th or 5th grade!

String Academy is a fun and exciting opportunity for your child to learn to play the violin, viola, or cello! The teachers are wonderful, and the Eugene-Springfield Youth Orchestras (ESYO) has developed an online program that will include fun and educational activities so that each student can learn to play violin, viola, cello or bass. And they provide the instruments!

Check out this video about the program! <https://video.link/w/TCorb> Online classes meet over Zoom starting Nov. 16th, from 7:30am-8:15am or 3:30-4:15 either M/W or TuTh. And they provide the instruments!

Registration is on a first-come, first-served basis. ***Income based scholarships available!*** Deadline Nov. 9th

There are so many benefits to learning an instrument! Students gain self- confidence, learn responsibility, and experience the joy of making music. They will perform for each other and prepare videos for concerts.

Sign up here: <https://esyorchestras.org/programs/string-academy-i/>. ***String Academy opens the door to the joy of making music, with benefits that can last a lifetime!***
